

# AGENT TV REFERRAL PROGRAM

NATIONWIDE SELLER REFERRALS

### **About Us**

We started in Arizona, where our agents have been the top producers in the Phoenix MLS for three years. We just had 28 agents rank in the top 100 of The Phoenix Business Journal's 2022 list of top producers...more than double any other firm.

### **Unlimited Listings**

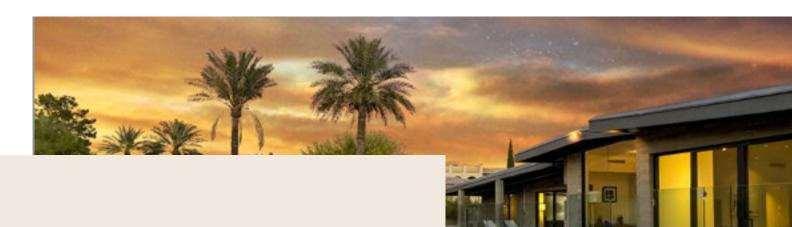

We will refer you as many listings as you can handle...an industry first.

We are a media company that uses TV to promote an innovative home selling program that sellers respond to immediately. We refer these sellers to agents around the country certified to offer our program.

We currently spend \$2,000,000/month promoting our "new, better way to sell a home" and have generated 30,000+ home seller referrals this year for our 475 agent-members. Most earn over \$100,000/year from our referrals, with many having earned \$250,000-\$1,500,000 already in 2023.

Seriously...we really can generate as many listings as you can handle.

In the first 3 weeks of 2023, we distributed over 17,000 home seller referrals to KW agents.

### Participate In Our Multi-Million Dollar Monthly National TV Campaign

#### Q12023 National Rollout

This will be a first in the real estate industry...

We plan to dramatically increase our TV budget in Q1 of 2023, and place commercials direct with ABC, CBS, and NBC in New York. Those commercials will run simultaneously in every U.S. city!

We are excited about our partnership with Keller Williams, and plan to accept a limited number of KW agents across the country into our program to service the additional business.

To ensure that we deliver all the business each of our new agents can handle, we currently limit the total number of U.S. agents we will accept to 7,919...one per 15,000 homes in most cities.

Extra commissions each year anticipated for participating agents

Program limited to 7,919 agents nationwide

# The Investment No Risk Introduction

To receive our referrals you must be trained on our home selling program. The cost to access our online training and marketing portal is \$199, then \$72/month for ongoing live training. The initial \$199 is refundable for 10 days so you can ensure we are a good fit.

#### Online Access To Our Marketing Library

In addition to receiving our referrals from TV, you will have access to our best TV commercials (with your phone number as the call to action) to use on social media and generate home sellers directly to you.

## O3 Contribute On Your Schedule

Contribute \$1500 (or additional units of \$1500) by the 10th of one month to participate in the next month's TV campaign. Each month, you may increase/decrease your contribution or make no contribution at all.

#### National Ad Fund Participation

Whenever you wish to participate in our national TV advertising, you may contribute units of \$1500 to our TV ad fund. You can expect 4-6 home seller referrals (estimated) per \$1500.

#### 04 A Standard Referral Fee

When homeowners we refer you sell or buy a home (through you or one of your team), you send us the standard 25% referral fee. That's how we profit, so our business model is a win-win. We don't profit if you don't profit.

# Highest Quality Referrals

We send you home sellers who have indicated when they plan to sell, what they think their home is worth, and are waiting for you to contact them.

The home seller referrals we send you are of extraordinary quality. They have visited our website, entered their address, indicated how much they think their home is worth, how soon they want to sell, and provided their phone number for you to make immediate contact.

There has never been real estate referrals of this quality.

Below is a summary of how to participate. Visit 72National. com to sign up and learn more. Email support@72sold.com with questions.

## One-Time Enrollment Fee

**\$199** 

You get immediate access to our online training and marketing portal, with a full refund after 10 days if you don't love it.

You will be invited to attend our optional M-W-F National Team Call Masterminds.

Recordings of our Weekly

Masterminds are available for replay in
your 72SOLD member portal.

# **Optional**Ad Fund Contribution

\$1500

We estimate 4-6 home seller referrals for each \$1500 contribution to our TV Ad Fund.

We limit the number of agents in each market to help ensure everyone receives the 4-6 referrals per \$1500.

### Monthly

Membership Fee

\$72/mo

You have continuing access to our updated training videos, live Masterminds and new marketing materials.

You may cancel at any time with no additional fees.

You always have the ability, but no obligation, to contribute to our ad fund.
